Re: United States v. Kenneth Marsh
Criminal Docket No. 10 CR 480 (JBW)

**Letter Motion to Compel the Federal Bureau of Prisons to
Supply Defendant Kenneth Marsh with the Correct Medications**

Dear Judge Weinstein:

Through speaking with Defendant Kenneth Marsh, it has come to our attention that he has not been receiving the correct medications from the Federal Bureau of Prisons. The detention center where Defendant Kenneth Marsh is currently located has been giving him substitute medications, not the one's prescribed by his physician Dr. Claudio Vazquez of Brooklyn Psychiatric Associates.

Defendant Kenneth Marsh's physician has prescribed Seroquel XR 50mg AM and HS, Lexapro 10mg AM and Alprazolam 05mg PRN z 12 hours.

Defendant Kenneth Marsh would respectfully request that the Court issue an order compelling the detention center to supply Defendant Kenneth Marsh with the medications his physician has specifically prescribed to him.

Thank you for your kind consideration of this matter.

Respectfully submitted,

s/ Fred A. Schwartz
